LB 523A, 852A

SENATOR BRUNING: Madam President, I move LB 523A to E & R for engrossing.

SENATOR CROSBY: Discussion on 523A. Senator Chambers.

SENATOR CHAMBERS: Madam President, I will take part of the words from a song from Fats Domino, yes, it's me and I'm in love again. Well, I will drop that latter part and I'll just say, yes, it's me again. This is a bill in which I have absolutely no interest, as I have no interest in most of these bills. And especially a bill like 523A which...and I see the name Senator Landis attached to it. His bills are always good, up to a point. (Laughter.) Except for the ones that are not good. You all jumped to conclusions. (Laughter.) Somebody added "boring". Because we know that if a bill has already moved and the A bill has to go with it, it doesn't really make sense to try to stop an A bill, unless you're really opposed to the underlying bill. And even then there have been occasions on my part where I would not hinder the A bill moving. So, having delivered on my promise on this bill, I will terminate my remarks.

SENATOR CROSBY: Thank you, Senator Chambers. There's no further discussion on 523A. You've heard the motion to move LB 523A to E & R for engrossing. All in favor say aye. Opposed no. It is advanced.

CLERK: Senator Bruning, (LB) 852A, Senator, I have no amendments to the bill.

SENATOR CROSBY: Senator Bruning.

SENATOR BRUNING: Madam President, I move LB 851A (sic) to E & R Engrossing.

CLERK: It should be...

SENATOR CROSBY: ...852A.

CLERK: ...852A, Senator, I'm sorry, 851, my mistake, 852.
